Inspiring Better for our members!

Credit unions exist to help people, not make a profit. As a not-for-profit cooperative, we are owned and operated by and for our members. Our mission is to give members, communities, and one another the inspiration, resources, and support to achieve financial wellness.

- ✓ Every account holder is both a member and an owner.
- ✓ Governed by a voluntary board of directors, elected by and from the credit union's membership.
- ✓ Local and organized to serve the interests of its membership.
- ✓ Not-for-profit financial cooperative whose earnings are paid back to members in the form of higher savings rates and lower loan rates.
- ✓ Serve communities through volunteerism, charitable giving, and support of many community organizations and events.
